website

## ABOUT

A clear blown-glass apothecary globe in a simple spherical form with open base. The surface shows visible signs of aging and retains a plain, undecorated finish.

Apothecary globes were used in chemist shops from the 19th to early 20th century, often placed in windows to attract attention. Whether filled with colored liquid or left clear, they served as both signage and symbolic objects of the trade.

## ITEM DETAILS

Reference: #S052

### CREATOR

Unknown

### PERIOD / DATE

Late 19th - Early 20th Century

### PLACE OF ORIGIN

Europe

### DIMENSIONS

H 50 cm x Dia 38 cm

### MATERIALS & TECHNIQUES

Glass - Metal

### CONDITION

Good
