ABOUT

Impressive scale, heavy, solid teakwood shelving cabinets of identical design, each with eighteen open diamond-shaped compartments formed by intersecting diagonal dividers. Raised on plinths. The asymmetrical sections are originally designed for storing carpets, but may be also used for displaying books, decorative objects, and other pieces. Preserved in very good vintage condition, with minor wear consistent with age and use.

May be purchased as a pair or separately. The price is listed per single piece*

*Updated: only 1 (one) piece is available.
