ABOUT

Square oil on wood panel artwork with abstract portraits and a dandelion. The composition presents a tale using symbols, and color serves as the story's essential element. Signed by the artist.

Ezio Colosimo (1950-2016) was an Italian artist. He graduated from the Art Institute and attended the Academy of Fine Arts in Rome in the scenography section. His artistic activity began in 1968. Ezio Colosimo's style is influenced by the city of Latina. On canvas or wood, Colosimo alluded to the experiences of the 1980s with symbols and odd hues that suggest primal scenarios, letters and alphabets with figurative aspects.
