ABOUT

Impressive antique armoire (wardrobe cabinet) in Moorish style. The four doors, featuring mirrors and wood latticework, are made in arched shapes, opening into three compartments. Below, there are six drawers of varying sizes. The facades are richly decorated with carved, ebonized, and bone-inlaid details, reminiscent of traditional Levantine architecture, including turrets, Moorish arches, rosettes, columns, and balustrades. Some elements are adorned with mother-of-pearl, such as the cameo with a rose on the pediment. The friezes on the sides are inscribed in Arabic.
