ABOUT

A pair of pressed glass perfume flacons, one with an atomizer and the other with a rectangular glass lid are adorned with vine leaf decorations, which are classified in the company catalogs as pattern #11 from the "Ingrid" collection. The beautiful lapis lazuli color is distinctive of Curt Schlevogt.

The pieces are not signed. The attribution is done as per the Curt Schlevogt Catalog, published in 1937. Very good condition. The atomizer pump has been replaced.
