## ABOUT

The "Tema E Variazioni" collection by Fornasetti is a celebrated series of decorative objects featuring variations of opera singer Lina Cavalieri's face. Created by Italian artist and designer Piero Fornasetti (1913-1988) in 1950s, the collection grew with new variations and designs over time, and is reproduced by the brand even nowadays. "Tema E Variazioni" showcases distinctive graphical style and different settings applied to various items, with its imaginative and whimsical designs.
