ABOUT

Mahogany bar trolley cabinet, with a bevelled glass case resting on four tour columns. The opening mechanism engages by pulling a lever, and rises the inner tray part, opening the top glass panels simultaneously. The top part is mounted with metal stoppers. The barware is made from cut crystal and includes a tray, two carafes with lids, two sets of six sherry glasses on silver plate stands, six decanters of different shapes and sizes, two silvered boxes with glass lids, an ashtray, and two miniature jars.

In very good vintage condition, minor wear on the surface and occasional chips on few pieces of drinkware. The mechanism opens and closes smoothly, it is recommended to use with care and apply light wax or mineral oil periodically.
